

# ENVIRONMENT

We are committed to sustainable development throughout our diverse operations which cover a wide range of industry sectors. Continual improvement in environmental performance will be achieved by setting objectives, measuring progress and communicating results. To deliver sustainable development, we will:

- communicate Thiess Services Middle East Environmental Policy and procedures to all relevant stakeholders including employees and others working on our behalf;
- comply with all applicable environmental laws, regulations, statutory obligations and relevant voluntary codes of practice;
- maintain environmental management systems that are appropriate to the nature and scale of our business, fulfill the requirements of ISO 14001, and are integrated into our business activities;
- make business decisions that work towards achieving sustainable development;
- ensure that our employees, subcontractors, suppliers and consultants are aware of and have the necessary skills to fulfill their environmental obligations with respect to Thiess Services Middle East operations;
- strive to conserve resources, reduce waste and eliminate or minimise adverse environmental effects and risks that may be associated with our services and operations;
- work with our clients and other stakeholders to help them achieve their environmental objectives and obligations; and
- periodically review and revise our Environmental Policy and procedures to maintain their relevance.

We will respond to the environmental challenges in all areas of our business and it is the responsibility of every employee to implement this policy.
